Re putted, burnt of paint and re painting, draft proofing and replacement of sash cords. 10 / 10
I have left further feedback about the work Stefan did for me because over the last couple of days I really have noticed just how good the work he did was. The painting he did really is very neat and all of my windows now open and close effortlessly. I no longer have any drafts either which is great. He also came to back to fit the window fittings I bought after he finished the job. **Customer in Hove, 21 June 2011**
