The service provided by Shutterly Fabulous can only be described as excellent. Lewis the surveyor was articulate, very pleasant and precise. **Window Shutter Fitted x 2** **10 / 10**  
I first contacted Shutterly back in November and made enquires. The friendly and polite head office team organised Lewis to carry out the survey of the windows. He turned up perfectly on time, was extremely knowledgeable and also offered great advice. Furthermore, he explained every thing without any technical jargon and was more than helpful. He explained that he would then email me the quote to which this was done 48hrs after the survey. I then contacted the head office and organised the work to be carried out. I had to pay 50% of the cost up front and 50% after the work had been completed. It took approximately 8 weeks for the shutter to be made and boy was it worth the wait. Shutterly contacted me to book an appointment and then the installer (Sean) came around perfectly on time to fit the shutter. The whole fitting (2 windows) took less than 2 hrs. The moment he was in the house, he started the work and then didn't stop until it was finished. He was extremely polite and friendly. He gave great advice on aftercare also. In regards to the shutter it self, they are perfect fit, beautifully designed and works wonders for keeping light out as well as heat/sound

insulation. All the fantastic team at Shutterly from Haley, Sean to Lewis did every thing perfect and I was extremely professional throughout the whole phase. I would more then recommend them to anyone. One Delighted Customer ! Thank you Shutterly ! **Customer in Carshalton, 26 January 2012**

**Installation of shutters on bay window**

10 / 10

We had shutters installed on our front bay window. They did an excellent job from start to finish, from the initial consultation through to installation. Endlessly polite, helpful and courteous at all levels - from the office staff to Sean, who did the installation for us. Everything was done effortlessly, tidy and most importantly, very well! Glad that we went with Shutterly Fabulous and were quite pleasantly surprised that the cost of the new shutters wasn't much more than it would have been had we installed it ourselves and very reasonable given the excellent service which we received. Very pleased overall. **Customer in London, 23 January 2012**
