Fantastic work, happy with the time it took, although would have been quicker if it hadn't rained every day. But not companies fault. Brilliant. Couldn't fault it. **Customer in Southampton, 22 April 2012**

- Replaced existing tarmac/concrete drive with block paving (100sqm.)** 9.5 / 10
Very pleased with the drive and the modifications to the existing patio to make one flow into the other. The 'Signature' edging design sets the drive apart. Any issues that arose were quickly resolved to our satisfaction. Listened to our ideas and requirements but also gave useful advice about the different ways we could replace the old crumbling drive and about the alternatives available in block paving. **Customer in Southampton, 21 February 2012**
