Fit new boiler and ongoing service

10 / 10

Stephen takes customer service to a level of excellence that I have not come across before. He did a great job of fitting our new boiler and thermostat last year. What has really impressed us is his on-going service a year or so later when it had a slight problem. It was fixed incredibly quickly and professionally. I would highly recommend SJ Heating Services. **Customer in Ashted, 13 December 2011**
