Steve turned our ideas into a really nice piece of furniture. He made helpful suggestions based on his experience, and the finished result looks brilliant, better than we had ever imagined. We would not hesitate to use him again or to recommend him to others. **Customer in Worthing, 30 March 2012**

Fitted wardrobes in alcoves 10 / 10

We chose Stephen after looking at his work on this site. He visited on a couple of occasions to discuss our requirements, giving us various options and pricing. He was very clean and tidy, always punctual and we were very happy to leave him alone in our house. He gave us very good advice, was extremely patient with our various questions and was happy for us to contact him once the job was finished should we need any further help. The finished wardrobes are fantastic, better than we could have hoped for. We will definitely be recommending Stephen and using him again. **Customer in Worthing, 1 February 2012**
