10 / 10

Steve and his team were very professional at every stage of the process. His pricing was competitive and we decided to use SJT flooring not just based on price but on what we believed he could deliver, We are so pleased with the end result, without compromise Steve and his team worked within our time restraints and delivered a result that out weighed our expectations. I would highly recommend this tradesman, a true professional in every way. Thank you. Keith Thorndale
