Replacement of split lead flashing and re-setting flashing on flat roof 10 / 10

Delighted with Stuart's work - he came out to assess a leak in my roof within 90 minutes of an early morning call from me. He photographed the problem areas, walked me through the options to remedy them, and came back with a quote within hours. Stuart arrived promptly a few days later as agreed, and carried out a prompt and professional repair in line with his original quote. He was polite and professional throughout, and will be my first port of call for any future roofing work I require. Many thanks! **Customer in Newhaven, 27 April 2012**

Repaired roof which was leaking quite badly 10 / 10

Excellent service. Very polite, articulate and efficient. Stuart was the only roofer who bothered to take a photograph of the damaged roof and show me where the problem was. The roof was repaired on the next working day and the cost was extremely reasonable. I am delighted with the results (no leaks!) and have no hesitation in recommending this company. **Customer in Hove, 26 March 2012**
