Mark has been superb throughout, brilliant follow up and communication. The only person out of many calls who returned call and kept constant communication. Quality of work and explanation as well as accuracy of quote gave great confidence and reassurance. Would recommend to everyone. Thanks again Mark. **Customer in Tring, 16 May 2012**

Not an easy job trying to work out what had and hadn't been done by a previous electrician, but Mark showed a lot of patience and determination. Mark then came back the next day to help with a faulty alarm at no extra cost! Many thanks Mark. **Customer in Twickenham, 8 May 2012**
