Replace 7 rotted fence panels and posts 10 / 10
Delighted with Mr Fry's workmanship, which was of a very high standard. He replaced the rotten fence panels with treated 4" posts (guaranteed for 15 years) and close boarded lathes within one day. He was careful of the shrubs and tidied away all the chippings. He also returned the following day to add another short gravel board which was beyond the call of duty!. His quote was also reasonable.
