Re-felting a flat roof extension

Lovely guys, worked hard kept everywhere tidy and kept me informed of what was happening. They also dealt with a nervous neighbour (her roof adjoins ours) very well, explaining everything to her in a very polite and patient manner. I will happily recommend them. AND a good price. **Customer in Littlehampton, 5 December 2011**

Simon and James are reliable, efficient and hard working. They surpassed out expectations by completing the work on schedule (despite the weather) and we are very pleased with the results. We will certainly be using them again and have no reservations about recommending them to others. **Customer in Worthing, 13 September 2011**
