Sound and vision really helped me when I called then about some advice on my television.,although they couldn't sort the problem they got another company to help me and then called me back to check that I had spoken to someone who could help.What a great service and so helpful.Thank you very much!! **Customer in Southampton, 10 May 2012**

Disconnect old tv from BT Vision and replace with new tv. Return other tv to back room and reconnect to freeview box. Test both to ensure both working correctly. Take away old broken tv for disposal.

Very happy with the estimate and did what I wanted done. Nik and his dad worked together and got the job done within a few hours. I would definitely recommend them. Nik also sorted out my sky picture for me as a bonus, even before given a quote! **Customer in Romsey, 23 April 2012**
