Jim Adam and Alex arrived promptly at 8am on both days they said they would be at our house. They were very polite clean and tidy workers - and made our garden much more brighter with the removal of the trees. They gave us the best advice regarding them, and quoted on different we could deal with them - but complete removal was the best and they cleared up so you would have known they had been there. Well done Boys and Girl would always recommend you **Customer in Southampton, 26 March 2012**
