#### Boiler and central heating installation

9.8 / 10

I have used Spence and the boys a few times now for boiler, central heating installs and other plumbing jobs - the last job actually cost me less than the quote! My tenants and I have been very pleased with the service they provide and will certainly continue to use them. **Customer in Steyning, 5 September 2011**

#### New gas central heating system

9.8 / 10

Professional and friendly run family business... in which they made a very neat installation in not such a straightforward house! Fair price which was quoted and kept to as well as keeping on schedule I have met various plumbers but they are heads above the rest!! In my book... all the boys can have a Gold Star. **Customer in Shoreham-by-Sea, 15 July 2011**
