Chris and his team did a superb job - he has a high level of integrity and really wanted to do a 'good job' - he keep me informed and discussed the options. The work was completed to a very high standard considering the awful substrate he had to work with! He turned up on time, was polite, courteous and helpful, while cleaning up after and basically doing an excellent job and withing the quote prices. Thanks **Customer in Horsham, 1 March 2012**
