First floor extension over garage

9.5 / 10

Lee and his team were reliable, hardworking and completed the extension over a newly constructed garage on schedule and to a high standard. As a family with young children we appreciated Lee's safety awareness on site and his team's family friendly approach. Lee kept us fully informed of progress during the project and responded promptly to emails and any queries. **Customer in Horsham, 21 October 2011**

Fit new floor timbers and alterations to main drains and soil pipe work

10 / 10

Lee did a very good job with all work to a high standard, was helpful with good advice given. I would recommend Sublime Construction for building projects. Additionally Lee fitted an internal door, again the work was done perfectly to his usual high standard. **Customer in Horsham, 19 August 2011**

Landscaping rear Garden, Renewing Garage Roof and converting front garden into block paved driveway...

10 / 10

All aspects of each job was carried out to the very highest of standards and within a very short time frame considering the extent of the works, with a constant update of any minor issues during the work and solutions required to resolve them, that, where appropriate were executed very well. Very happy with the safety aspect of every job, especially the asbestos removal element with the old garage roof that was taken away the very next day after it was lifted off of the garage. **Customer in Brighton, 18 August 2011**

Demolish and re build chimney.

8.8 / 10

Lee Hopwood organised and carried out this work in an efficient and courteous manner. **Customer in Horsham, 7 July 2011**
