### Most Recent Customer Feedback

#### Landscaped new build garden

9.3 / 10

The guys were very polite and friendly and worked hard in some very cold conditions. Any changes were discussed and if they were unsure they would ask a question rather than ploughing ahead blindly. The quality of work was v good and there were only a few minor defects to resolve at the end of the works. I would definitely use them again and have no hesitation recommending them. **Customer in Haywards Heath, 6 February 2012**
