### Most Recent Customer Feedback

#### Full replacement of 2 fences - approx 50 metres in total 10 / 10

Good job all round - accurate quote - started on time - good workmanship and cleaned up at the end. **Customer in Guildford, 16 May 2012**

#### Wooden fence posts needed replacing with concrete posts and gravel boards 10 / 10

Initially we had another fencing coming start the job but they were terrible - very unreliable, slow and made a mess of the job. Will's team came in after that and did a fabulous job. They corrected the previous company's mistakes and finished the job within the specified time to a very high standard. I would highly recommend Surrey Fencing. **Customer in East Molesey, 23 April 2012**

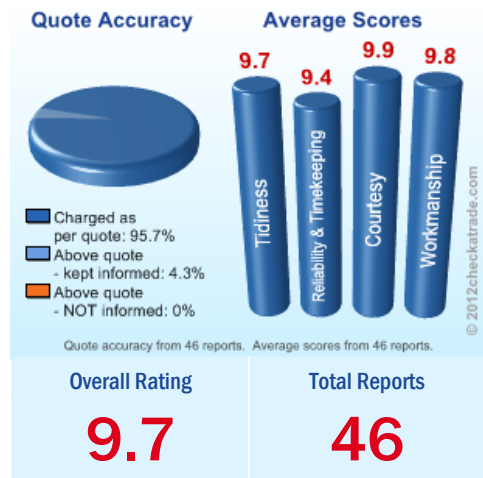

#### 6 fence panels needed replacing and new gate to be fitted 10 / 10

The team carried out the job in one day. All panels were fitted securely. The garden was left clean and tidy and all the old fence panels had been cleared away. Fantastic job, a very pleased customer. **Customer in Sutton, 17 April 2012**

#### Removal of old garden fence and replacement with new one plus privacy trellis 9.8 / 10

Although we requested a quote last year, Will stood by his price 6 months later and communicated well scheduling the work. His team arrived on time and worked late as the job was more complicated than expected - so they came back early on the Saturday morning and finished the project leaving the site clear and tidy. Both my wife and next door neighbours are very pleased with the finished fence **Customer in Weybridge, 16 March 2012**

#### Repair of two broke fence points and panel 9.8 / 10

Surrey fencing provided a reasonable quote for the repairs, they arrived on time, were friendly and courteous in all their dealings, did a good quality job and left the area tidy. Many thanks. **Customer in Aldershot, 14 March 2012**
