**Reconstruction of garden fence** 10 / 10  
If anybody is looking for a good fencer, we would strongly recommend that they call Chris of Surrey Fencing and Landscaping. A 50 feet long close boarded side fence to our garden was falling apart only two years after it was initially built by a fencer/landscaper from Chobham who claimed to be an expert! Chris and his cheerful and hard working assistant, Aiden skilfully rebuilt the fence in one day, looking immaculate and robust. On completion they left the site tidy. As pensioners we thank Chris and Aiden for being so helpful and trustworthly. We would have no hesitation in using them again. **Customer in Sutton, 13 March 2012**
