Laminate flooring throughout ground floor flat. 10 / 10
Mr Evans (Adam) is extremely polite, honest, tidy, superb at his job and a thoroughly professional tradesman. I wished to have flooring and new skirting throughout my flat. However, I have a lounge but no separate dining room therefore, I also wished to create a separate dining area by way of a raised 'stage' area with sunken LED lighting. Mr Evans did a superb job and thus has transferred my flat into a warm and welcoming home. He's a dying breed so don't waste time and money searching out the 'right man for the job'. I am over the moon (as you probably have guessed!). Thank you so much Adam.
