Most Recent Customer Feedback

Chimney work.

9 / 10

We are pleased with our new log burner - thank you. **Customer in Peacehaven, 1 April 2012**

Installation of wood stove

10 / 10

I had two other companies quote for this job, but what appealed to me about Sussex Stoves was that they were highly competitive in their price, AND were able to do the WHOLE job - that is they were able to take out the old brick fireplace, open up the hearth, lay the hearth limestone tiles, and make good at the end, in addition to the installation of my Moros stove and flue liner. The stove installation was carried out quickly with efficiency and professionalism. There was a slight problem with my chimney in that it was too small at one place for the liner to come down. Tim was unperturbed and found the solution which involved breaking into the chimney flue further up the chimney breast. All was made good, the plastering was excellent, and the general standard of work exemplary. I found Tim and his team easy to communicate with, helpful and there were no extra or hidden costs to this job. I would highly recommend him. **Customer in Lewes, 26 January 2012**

Two multi fuel burners installed

10 / 10

Superb. Tim is a highly skilled professional and is courteous. A pleasure to have him around. We felt from the outset that we were in good hands and had every confidence in his work. Highly recommended for his knowledge, experience and attitude. **Customer in Seaford, 16 December 2011**

Installation of wood burning stove and flue

10 / 10

Clean, efficient, very helpful and polite. Good time keeping and readily returned when there was a slight problem. **Customer in Lewes, 9 November 2011**

Refitted a wood burning stove and flue that was improperly installed by another firm. 10 / 10

Really quick, professional, tidy and very reasonable. They were extremely helpful and made every effort to put right the work done by the other company at a very fair price. I cannot recommend them highly enough. **Customer in Steyning, 8 November 2011**
