Installation of rat blocker

10 / 10

John came out on Saturday December 31st 2011 (New Year's Eve and a Saturday to boot!). He descended into our sewer and installed the rat blocker. One month on and we have had no more unwelcome visitors. He certainly deserves my thanks and recommendation. **Customer in East Grinstead, 31 December 2011**

John responded extremely quickly, which was essential due to the distress caused by the infestation. He explained everything he was doing and took steps towards an outcome that was desirable (rid of them!). He did more than was expected in terms of service, care and permanent eradication of the problem. **Customer in Lewes, 28 November 2011**
