Retuned Sky box so all rooms can view Sky channels on TVs 10 / 10
 Recommended to me by a friend I called to arrange a visit and they came straight away, a bonus! Andy retuned my Sky box so the TVs in other rooms which are connected to the Sky box could view the same channels without huge interference, which is how they had been left by another company a while ago - another company who said nothing could be done to improve the picture! Andy fixed the problem and was all finished within about 20 minutes, very happy. **Customer in Burgess Hill, 18 April 2011**
