#### Decorate hall, stairs and landing (3 storey) En-suite +2 Bathrooms + Front door 9.8 / 10

First class in every respect. Our two workmen are real craftsmen who take a professional pride in their work - better than any firm previously employed. Mr T Bourne keeps a daily watch! An excellent firm I have used before who clearly maintain top class standards. **Customer in Dartford, 23 May 2012**

#### Extension to rear of house 10 / 10

This was the first time that we have had any work done on our house and we were so pleased that we used T and K Bourne and Sons Limited. The team were fantastic, a special thank you to the electrician Marc, the plumber John, Dave and Lee for their work during the build, Neil and Martin for all the carpentry work and of course Trevor Bourne that made the whole process so easy and would go out of his way to make sure that we were happy. We would recommend this company to anyone. **Customer in Dartford, 18 May 2012**

#### Preparation and Decorating of Hallway 10 / 10

The work was completed today, and I am very pleased with the finished result. Always good to have professionals, but also to be able to talk with them about what they are doing, and even why, and they were always happy to explain what was being done and why. They also were not afraid to ask me about any aspect they were unsure of. I have plans for more work in the future (the kitchen needs a lot of work) and I will certainly ask T and K Bourne if they can do the work. Very pleased. **Customer in Gillingham, 18 May 2012**

#### Preparation and Decorating of Hallway 9.8 / 10

Very pleased. The hall looks so much better now, and what I liked about them more than anything else was the attitude that the work will take as long as it takes, no hint of rushing to finish. Also they were happy to give me a few tips how to deal with those awkward little jobs that put so many of us off doing it ourselves. I will also add that the spare room that was sed for storage is cleaner and tidier now than it was before they started! I would recommend and ask them to come back if I ever need any more work done. **Customer in Gillingham, 18 May 2012**
