Replacement thermostat and element for Smeg oven 10 / 10

After trying a few other Smeg engineers without any response, Tim came by on a Bank Holiday to fit a replacement thermostat, quickly identifying and replacing a second fault with the main oven element while he was there - without fuss or bother. Courteous, tidy and punctual; really delighted with his work. **Customer in Woking, 6 April 2012**

Heater. Not working on dishwasher 10 / 10

Tom was very polite, he took the machine apart, found the problem and showed me. He told me my options, tried to find the part. It to no avail. He put the machine back together. He gave me details of a retailer of new machines. Very nice man **Customer in Staines, 4 November 2011**
