Plastering 2 ceilings (remove and cover an ugly Artex finish)

A first class prompt and efficient service from quote to completion. This was always going to be a dusty messy job but everywhere was left very clean and tidy (thanks to the liberal use of dust sheets to cover the floors, wardrobes and drawers) and the new ceilings are lovely. **Customer in Woking, 6 February 2012**

The plastering was the only work I did not do myself as I rarely find the professional job is up to my standards. I was very pleased with T P Plastering's work. **Customer in Camberley, 21 January 2012**
