#### Refitting of large upstairs bathroom and small downstairs cloakroom

9.5 / 10

We were very impressed with Tom's prompt and helpful responsiveness while we were working out the total works cope and quotation. Due to the age and design of our house, the actual work proved to be quite complex, but it was all completed efficiently. He was happy and flexible to add in extra and unplanned work as we went along. He dealt promptly with the very few trivial defects that arose during and after the two weeks of the job. His workers took great care to clear up thoroughly at the end of each working day, which was good. We would be happy to use this Company again. **Customer in Fareham, 24 October 2011**
