Nigel did fantastic job!! Very professional and trustworthy. I used his services twice within one month in two different properties and he removed all the various stains from the carpets. I would definitely recommend Truclean!! **Customer in Horsham, 13 April 2012**

#### Routine carpet clean

Nigel came to my rescue last year when 'man's best friend' left his calling card! I was so delighted with Nigel's work, that I asked to have a routine carpet clean carried out. I was very impressed by Nigel's preparation before cleaning. He hand brushed and hoovered throughout. When hand brushing, he discovered carpet moth behind a piece of furniture, and applied a treatment. He spent so much time and care with the cleaning. I'm delighted with the result and would certainly recommend Nigel. **Customer in Horsham, 11 April 2012**

#### Carpet clean for checkout inspection

Nigel surveyed the job quickly and efficiently and gave us a fair quote. His ability to get a number of different stains (including tea, rust stains and red wine) and material including blue-tac and ground in dirt out of biscuit coloured wool carpets was phenomenal. He was polite and timely and was great with our kids who, though mostly culpable, were unaware of what needed to be done. **Customer in Horsham, 4 April 2012**

Nigel is nothing short of miraculous! Called him at VERY short notice and although his time was limited, he very kindly fitted my urgent request in, which was to remove a very bad coffee stain made the night before,. The results were amazing...don't know how he does it. A lovely guy, hard working, efficient and very trustworthy, the second time I have used his company. He knows his work inside out. I wouldn't hesitate to recommend him and will definitely use him again, a life saver, worth every penny! **Customer in Burgess Hill, 31 March 2012**

This is the second time I have used Nigel's services and it will not be the last. Again, he was punctual, efficient, extremely professional and a perfectionist. My carpets look new. There was little mess and we had some nice chats over a cup of tea!!!! I would highly recommend Nigel to anyone who appreciates a quality service. **Customer in Burgess Hill, 28 March 2012**
