Most Recent Customer Feedback

Widen drives and lay garden paths

9.3 / 10

Used TAW for second time. Equally pleased with outcome. Highly recommended **Customer in Farnborough, 19 March 2012**

New patio to rear garden. Pathway laid to side of house. Treatment of fencing and shed.

10 / 10

This is the third time Tom has done work for us. The patio was completed to his usual high standard and we were very pleased with the result, and also with the other work they did for us. Tom and Jamie worked very hard to complete the job quickly. They were polite and courteous and kept us informed of progress at all times. We would definitely recommend them. **Customer in Farnborough, 29 February 2012**

Repointing patio, relaying block paving, Erecting greenhouse with paved base

10 / 10

Tom spent four days working hard to complete a range of tasks in very unpleasant weather conditions. He still managed to do a tremendous job to a very high standard, taking careful account of the weather to ensure it did not adversely affect the results. He made a good job of repairing the results of poor work on block paving the drive by a previous contractor. We were delighted with the final product, for which he charged a very reasonable rate that was slightly better than estimated. We have now employed Tom several times for hard landscaping work and he has never disappointed us. A really nice professional tradesman who has a polite and friendly manner and who is willing to offer sound knowledgeable advice that has actually improved the intended outcome but cost us less! In our experience he can be trusted to do a very competent job for a fair price without compromising standards. **Customer in Camberley, 5 February 2012**

Relocating large conifer and shrubs, turning over raised bed, removing old tree roots from under patio and re-lay slabs

10 / 10

Tom did another great job today. Relocating a large conifer across the garden aswell as some large shrubs. A raised bed which was full of old tree roots was turned over and new plants planted. Old tree roots removed from under a patio and then slabs relaid. Tom was, as always, very polite and hard working and Phoebe was impeccable behaved as usual too! Thanks for another great job completed. **Customer in Camberley, 27 January 2012**

Fence panels to side of property (x12)

10 / 10

Good workmanship. Very personable. Polite and professional service. They hit a couple of unforeseen hurdles (incl bad weather) but, as very conscientious, we were kept informed of slight additional cost for materials and time delay. This is our second time to use this company and would keep them on our telephone list for future work. Thank you Tom and colleagues! **Customer in Fleet, 26 January 2012**
