Installation of replacement windows and a door 10 / 10
We have been very satisfied with the project at all stages from the initial visit and estimate to installation. The price was very competitive and we are very happy with the quality of the windows and door and with the standard of workmanship. The installers were quick, tidy and very polite. We have already recommended Kevin Taylor to a neighbour, who has since installed windows and a patio door and we have no hesitation in recommending to others the company and the excellent service it provides. **Customer in Cranleigh, 12 March 2012**
