### Most Recent Customer Feedback

#### Plans drawn for extension

10 / 10

Excellent service. June gave us idea's which we hadn't considered and we took her advice. Delighted with results. Always responded quickly to emails etc. **Customer in Bognor Regis, 20 October 2011**

#### Drawings, Planning Approval and Building Regs for construction of new roof, new 1st floor accommodation (3 beds, 1 en-suite+family bathroom) and re-arrangement of downstairs space. 10 / 10

After an expensive and failed attempt to produce drawings using an architect, I found June Grinstead of Technical Drawings Ltd. She was fantastic - quick to respond to emails, reassuring, full of imaginative yet practical ideas, whilst being very competitively priced. She worked hard and used her flair to produce a design/drawings that worked for me and was acceptable to the Planning Department. One builder tendering for the work commented that the drawings were 'spot on' as well as providing maximum use of space and interesting features that would look great once built. I can't recommend her highly enough. **Customer in Chichester, 18 March 2011**

#### Drawings and advice regarding a planning application

10 / 10

Through out the whole process I have been kept up to speed with progress in a professional manner which made me feel confident with the work done. **Customer in Worthing, 16 February 2011**

#### Drawings for Double Extension, Planning Application and Building Regulations

9.7 / 10

Service was excellent. Always responded very quickly to any requests. Willing to adapt to requested changes. Was able to offer practical advice on the project generally. The service offered good value for money. **Customer in Bognor Regis, 16 February 2011**

**Building Regulations Drawings/Notes and Structural Calculations**

10 / 10

Excellent job done, at an excellent price. I'll be reusing Technical Drawings on any future projects. **Customer in Maidenhead, 15 February 2011**
