Two rooms prepared and decorated

Very efficient. The quotation arrived quickly and was detailed and broken down. Karen and her colleague turned up when they said they would and were neat and tidy throughout. The finished work was excellent. The extra cost was due to an extra coat being required for the larger room. However, Karen only charged us for the extra paint required.

Painted most walls and all woodwork of 3 bed roomed bungalow

Karen was extremely helpful, from start to finish of her work for us. She sent a quote promptly by email and although we originally decided not to go for her as we had a much lower quote, the alternative person never put their quote in writing or got back to us! Karen was very happy to commence the work, despite our earlier rejection. She made helpful suggestions when we had questions about the work as we do not have much experience with painting and she did re-do some of the painting we had done, at our request - painting is not as easy as it looks! Once the work was completed she was happy to return to do additional work which we had not been clear about - at no extra cost - in fact her eventual charge was slightly less than quoted as she used less paint. I would have no hesitation in recommending her, and in fact will do so again when more work needs to be done. Thank you Karen! **Customer in Emsworth, 21 December 2011**

Painted most walls and all woodwork of 3 bedroom bungalow

Karen was very helpful and efficient. She gave regular feedback on the progress of the work and informed us we had a leaky radiator so that we could get it fixed before new carpets were laid. She was helpful when prospective tenants arrived to view the property and she was very happy to return to our property the day after completion to remove picture hooks and repaint when we requested this to be done. I would have no hesitation in recommending Karen, in fact I have already done so and... her final quote was slightly less than the original as less paint was needed! A big thank you to Karen and her colleague. **Customer in Emsworth, 3 December 2011**

Decorating upstairs and downstairs hall

10 / 10

These decorating ladies were superb! They arrived on time, properly covered the stair carpet and prepared the job properly. They worked very hard and fast but the finished product was excellent, no runs or splashes. We employed many different trades for our recent large extension, but Karen is by far the best! **Customer in Emsworth, 24 November 2011**
