CCTV SURVEY OF THE FOUL DRAINS

10 / 10

Robin Neave responded very promptly to my email for a price quote and was able to undertake the work within a couple of days. Mr Neave arrived on time and did a very efficient cctv survey and the price was the same as was quoted. A couple of days after that, I received a full written report and also a clear dvd showing the inside of the drains. I can fully recommend 'The Drain Experts Ltd' to anyone and am very happy with the work that was carried out! **Customer in Christchurch, 25 April 2012**
