Tidy of gardens (hedge, lawn, borders)

10 / 10

Ben is really polite and friendly and was able to fit in a tidy of my garden at short notice. Borders were thoroughly dug over and weeded, lawns were mowed and edges strimmed, and my hedge and shrubs were cut back. I am so pleased with the work that I have asked him to take on regular maintenance of my garden. **Customer in Worthing, 22 May 2012**

Excellent service - fast polite and tidy. Ben came back to change something we wanted done differently and was absolutely brilliant. **Customer in Steyning, 14 May 2012**

Fitted new side gate

10 / 10

I am delighted with the quality of the work that Ben has produced today. He quoted me for a gate so that my dogs would be safely contained in the back garden. The gate and the posts are brilliantly fitted and I am amazed that the price reflected such outstanding craftsmanship. I have recommended The Garden Barber to many of my friends and they are all really impressed with the price and quality of the work. I would not hesitate in asking Ben to do any landscaping or fencing work in the future. **Customer in Steyning, 26 April 2012**

Replacement fence panel, garden work, water butt installation

I have employed Ben on three separate occasions with very positive results. Most of important of all, he's honest and reliable. He had a difficult job with my fence panel through no fault of his own, but stuck to his quotation and remained

cheerful throughout . I wouldn't describe him as a plants man exactly, but he's versatile and can turn his hand to many outside tasks. He's also a very nice guy and a pleasure to work with. **Customer in Horsham, 7 April 2012**
