Replaces gutters, soffits and fascias on a large bungalow

Emailed the company requesting a quote on a Sunday afternoon - the MD called and visited the property on Monday and we had a written quote that day. We gave the go ahead on Tuesday, and they started on Wednesday and were completed within 3 days. The quality of the workmanship is perfect, and the team worked quickly and despite the rain. The company recommended we fit a slightly larger size of guttering, to give extra capacity, and we are very pleased with the fit and finish. Something I've never taken any note of before on our house now looks strikingly smart. Thanks for a great job well done. **Customer in Epsom, 2 May 2012**
