Removal of flat roof and porch installation

Mark and his team were very efficient and tidy workers. Quality of workmanship some of the best I have seen and they didn't leave a scrap of mess. My circumstances changed but Mark found a solution and was very flexible. In all, I would recommend them highly as honest, hard working and they work to a very high quality. **Customer in Worthing, 15 May 2012**

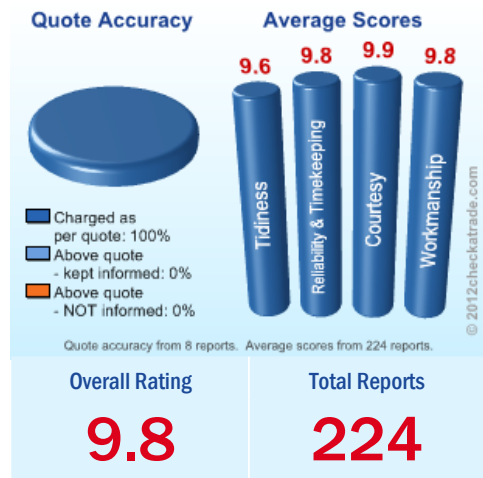

New back door and window

10 / 10

Phoned around a number of companies and was getting fed up with being quoted one price over the phone without anyone actually bothering to visit my house first. Also prices were dear. Phoned Mark and spoke to Julie who immediately said they would come round to quote. She was polite and explained the different things they would consider in the quote. Mark's colleague came to measure up and saw my husband - arrived on time and was flexible with our availability especially as they come from Goring and we live in Brighton. Quote arrived in a week and offered two options (with or without the window) so that we could see the difference it made. A date was set for the work and they arrived on time, were efficient, friendly and tidied up after themselves. The door and window look fantastic and have immediately made a difference to our house (less draught, more heat and more vision of our back garden). Would highly recommend them. **Customer in Brighton, 9 December 2011**

New fascia soffit and gutters.

First class work, but final clear up was not 100%. I would recommend this company. **Customer in London, 29 October 2011**

Replacement of soffits, fascias and guttering

It's rare that you can find someone to do anything these days for a competitive price, who turns up on time, is polite and gets on with the work and does an excellent job. We were more than happy with Mark (and team's) work and would have no hesitation in recommending him. They were at the house two days, cleared up beautifully in-between (and after!). All we noticed when we got home from work was a good-looking job. Very pleased. **Customer in Worthing, 26 September 2011**
