#### Re-rendering and painting of house

All aspects of the work completed were carried out to the highest standards. I would unreservedly recommend Tide Solutions. **Customer in Goring, 15 April 2012**

#### Total repointing of the bungalow and renewal of all wall ties

10 / 10

Brilliant! Without doubt the best company that we have used since we bought this house. Paul came over to assess the work that we wanted done and gave us a fixed price which was less than we had anticipated (there were no hidden or additional costs). A written copy of the job specification and final cost, as agreed, was sent as confirmation. Barry, who did the work, was always on time and worked really hard. Everything in the job specification was done on time and the site left perfectly clean as agreed. Paul gave us written guarantees for all the work done. We couldn't have hoped for a more reliable and trustworthy company; they were brilliant. We would be more than willing to provide a reference to any customer thinking of using Tide Solutions. Kevin and Lynn Cooke, Willingdon, Eastbourne. **Customer in Eastbourne, 4 April 2012**

#### Repointing and damaged bricks replaced. Wall ties replaced and chimneys rendered.

Tide Solutions undertook a lot of work to our house and carried all of it out to an extremely high standard. People walking down the street have commented on how smart the house now looks and we are very pleased with the quality of work that has been carried out. Both Barry and Kieran, who worked on the property, were hard working, polite and helpful. Nothing was a problem. We would fully recommend this company and would definitely use them again in the future. **Customer in Lancing, 3 April 2012**
