Stripped old tiles in kitchen and retiled. — 10 / 10

The workmanship was incredibly good. Advice was given on how best to get the best result THERE WAS NO PRESSURE.The work was carried out in a professional but friendly way I was asked at each stage if I was happy.I was especially delighted when it was suggested laying the tiles in a different design rather than the basic. Once again this and other finishing touches were done at NO extra charge.It has made a world of difference to me. **Customer in Hove, 12 March 2012**
