Removal of old boiler, water tanks etc and installation of new combi boiler 10 / 10

I cannot praise Tip Top more highly. Besides providing a very competitive quote, the staff arrived bang on time, and in a highly organised and efficient way, set to work on my new boiler system. They were always friendly and courteous, but very much focussed on the job in hand. The new boiler is working beautifully and I am reassured by the many years of extended warranty provided through TipTop. **Customer in Southampton, 6 June 2011**
