### Most Recent Customer Feedback

#### Fitting of a Shaver light

10 / 10

We were delighted with the work that Tor did for us - fitting a new shaver light in our bathroom. What especially impressed us was that Tor not only returned our call promptly but he was also able to fit the light on the same day. His work was excellent and he is a very professional and polite individual. **Customer in Haywards Heath, 23 September 2011**

#### Various Re-wire Works

10 / 10

Call TJR Electrical first! We were very pleased with the work that Tor has performed and would not hesitate in recommending him to anyone else. The house was left very tidy and the quality of this work is to a very high standard. **Customer in Burgess Hill, 19 August 2011**

#### Electrical safety check for house sale

10 / 10

Tor carried out the electrical safety inspection at short notice after I was let down by another company. He turned up at the agreed time, carried out the inspection thoroughly and delivered the report to me on the same day so that I could exchange on my house on time. I would not hesitate to recommend him to others and will definitely keep his details on record for any future work. **Customer in Burgess Hill, 18 August 2011**

#### Change an element/thermostat on an immersion heater and check connections

10 / 10

Tor was very helpful, polite and informative - he quoted a price and stuck by his word even reducing the final quote as one part could not be fitted, would contact again if I have any further electrical jobs **Customer in Burgess Hill, 16 May 2011**

#### Smoke alarm fitted

10 / 10

Fantastic job. Helpful, polite and very fair price. Would def recommend and use again. Thanks! **Customer in Eastbourne, 31 March 2011**
