Most Recent Customer Feedback

- Replacement of ball valve in loft cold tank** 10 / 10
Tom is an extremely reliable plumber, he let's you know when he is coming and sticks to it. He came to me in an emergency on his way home from planned jobs and carried out the work quickly. He has the spare part I needed on his van which was a real bonus. Highly recommended. **Customer in Brighton, 3 February 2012**
