Removed wall between two rooms and completely refurbished area

10 / 10

Work included wall removal, ceiling removal and vaulted ceiling replacement, electrics, plumbing, plastering, lighting, reflooring with reclaimed parquet flooring and decorating. An excellent job in every respect, great ideas and a great team. Nothing is ever too much trouble and when we had an unrelated plumbing emergency Top Drawer came to the rescue immediately. I highly recommend them. **Customer in Sutton, 13 April 2012**

A well managed project carried out to a very high standard. David translated my dream into a design that the hard working team of perfectionists made a reality. Their pride in their own and their colleagues work is truly justified. **Customer in Banstead, 12 April 2012**

Complete refit of kitchen, including decorating, tiling, floor and appliances

10 / 10

I was very impressed with the standard of work that has been done, including the tidying up at the end of the job. All elements of the work, decorating, tiling, floor and kitchen units fitted are to an excellent standard. The timekeeping was excellent and all the workman worked very hard with few breaks. They were all very polite and pleasant to have working in the house. **Customer in Tadworth, 10 April 2012**
