We have just had a two bedroom and one bathroom, loft conversion completed by Tim and Andy. They were so helpful, friendly, trustworthy and clean workers. Workmanship is excellent. No faults at all. Cant wait for my wardrobes now for the master bedroom to be built by them, as I know they will be great. **Customer in Chichester, 20 October 2011**

Work was actually done about 4 years ago, at that time I didn't know I could leave feedback on here. Highly agree with all the other reviews. Tim and Andy are reliable, courteous, came within budget, completed additional tasks that I hadn't thought of before (built a cupboard, fitted blackout blinds). Recently one of the blackout blinds had broken, so not knowing what make and model was, I contacted Andy to get this information to get a replacement. Andy came round yesterday and fixed it at no charge! How's that for fantastic after care service. Highly recommend. **Customer in Fareham, 8 March 2011**
