Block paving of drive and paving slabs round the sides and back of the house to create a new patio

10 / 10

Rob was unfailingly polite and friendly and consulted us about details as the work proceeded. He was obviously very concerned to ensure that we were happy with the finished work and did an excellent job, both with the preparation and laying of the blocks and slabs. The work turned out to be much more difficult than expected because of the need to break up and remove what turned out to be extremely thick old concrete around the house but Rob simply got on with it and did what was necessary. We were very impressed and would recommend Rob and his assistant George to anybody seeking an excellent job by highly skilled people with an exemplary approach to customer service, at a competitive price. **Customer in Woking, 7 November 2011**

A fantastic job completed on time. Rob was the model of courtesy and politeness. He worked hard through the week to ensure we had our drive done at the weekend. Superb finish, professionally done. Would certainly recommend him.
