A 2 storey extension, new fitted kitchen and a garage conversion

10 / 10

We are thrilled with our extension. Topnotch were excellent. They constantly kept us informed about what was happening. They sorted out the problems we were having with our building regulations, taking all the worry and stress from us. Topnotch gave us ideas and found solutions for the little things we had not thought about like the small heater for the utility room. We feel lucky to have chosen such a professional team. Without a doubt we would use them again and have recommended them to our friends **Customer in Broadstone, 23 December 2010**

Gable end replacement and repair window headers

Gable end is fantastic - very pleased with finished result. As ever, Darren is polite, helpful and reliable. **Customer in Poole, 8 July 2010**

Bespoke External Door.

10 / 10

Excellent work by Darren from start to finish, nothing was too much trouble. My new, non-standard size front door has already been much admired by neighbours and fellow villagers, not to mention how pleased we are with it ourselves (and thankful that he managed to keep the existing glazing)!

I would thoroughly recommend Darren to anyone and wouldn't hesitate to use Topnotch again when I need work doing. He was very courteous, friendly, efficient and professional, a pleasure. **Customer in Blandford Forum, 16 June 2010**
