Clean sand and seal garden drive and block paving 10 / 10
We were just about to have all the drive and patio taken up and replaced at a large cost, we then saw Karl refurbishing a driveway in the same road, after seeing the results of this we were amazed by the transformation and got Karl to quote ours, the quote was so reasonable that we decided to get ours done and the results were amazing. He worked hard was clean tidy and kept us well informed of each stage of the job, if your thinking of getting a new drive try Karl first, thanks Karl you saved us thousands. **Customer in Brighton, 10 March 2012**
