#### New kitchen fitted

10 / 10

Excellent standard of work and tidiness. Suggestions made were helpful and insightful ( and not simply to drive up the bill) and the finished result exceeded my expectations. They also delivered several beautiful touches of workmanship and have created a kitchen which I will never get tired of and which will probably see me out. Throughout the project, I found them to be cheerful and they took genuine pride in their work. **Customer in Twickenham, 29 September 2011**
