Leylandii hedge removal and take down and rebuild a wall of sleepers in the back 10 / 10

Phil and his assistant arrived bang on time and were set up and working very quickly. I have been impressed with Phil's friendly and professional attitude since our first meeting and, as expected, he completed all the required work to our complete satisfaction much quicker than expected. I would not hesitate to ask him back if we have anything else that needs doing and, also have no hesitation in recommending Tremendous Tree Services to neighbours, friends and family. **Customer in Sandhurst, 17 May 2012**

The men were very polite and pleasant. I would have no hestiation in recommending this company to anyone. **Customer in Sandhurst, 8 May 2012**

Removal of a tree and thinning another 10 / 10

Phil and team were very courteous and helpful throughout the whole process of planning and executing the removal of a tree from my property. As the tree was affecting the path I had to involve the council. This could have made the process difficult but Phil was able to advice and support throughout. The team did a fantastic job carrying out the work and all completed to the highest standard. Treemendous Tree Services well deserve their Checkatrade reputation and I would thoroughly recommend them. **Customer in Farnborough, 26 April 2012**
