### Most Recent Customer Feedback

#### Fix Kitchen Lights

10 / 10

I had one set of lights fixed on one day with no estimate as I knew the problem but was satisfied with the cost but then we discovered the other set needed further work. Trevor gave me 2 options to get the second set of lights working and explained which one would be best and why. I was sent an estimate and we booked another appointment a week later and now all the work is complete. Trevor was on time and tidied up after and the mess was kept to a minimum. I was also impressed how efficient he was in his work and how quickly it was done. I will definitely use him again when I need to and would definitely recommend him. Excellent service and good price and very polite. **Customer in Southampton, 23 April 2012**

#### Tested for possible damage to two sunken ceiling light fittings and repaired a faulty external PIR triggered halogen lamp.

10 / 10

Trevor arrived on time; we discussed the jobs to be done. He carried out all three jobs with clear pride in what he is capable of doing. A very professional outcome; and he reassured me the various circuits and fittings were safe. His estimate, given by e:mail, suggested 1.5 hours work; Trevor completed the job in just 1 hour; so he reduced his estimate by an appropriate amount. An excellent professional with a very good customer service attitude. **Customer in Southsea, 13 March 2012**

#### Periodic certificate and pat test

9.5 / 10

He was running a little late for our appointment, but apart from that I am very happy, Would use them again. **Customer in Chichester, 27 January 2012**

#### Wiring In An Electric Cooker

10 / 10

Extremely polite and tidy. Explained all aspects of the work that needed doing. Very competitive and fair pricing. Will definitely use again and asked for a business card. :) **Customer in Portsmouth, 5 October 2011**

**Replace outside lighting and sockets. Repair defective outdoor sockets. Fit timer**  
First rate. Would thoroughly recommend. **Customer in Hayling Island, 26 September 2011**
