This was an urgent job and Dave came up trumps. We had the quote within the hour of him coming round and the job was completed within 2 weeks. We would definitely recommend this company and have already told friends about them. Great job many thanks. **Customer in Gosport, 26 January 2012**

#### Two bay windows and one small bedroom window

Dave Gave me a good quote that was very detailed. On starting the job Dave and his work colleague were very pleasant and tidy. They kept me in the picture of what they were doing at all times and were very polite. There was no mess left after each window was completed and the workmanship was excellent. I now have three new windows that look fantastic and also make my rooms a lot quieter. I would recommend this company to anyone looking for a professional finish at the right price. **Customer in Portsmouth, 23 January 2012**
