Outstanding service. Two young guys, very professional and careful with my property. Everything was wrapped in blankets and stored carefully in their van and gently driven to my new address. Very helpful attitude, polite and friendly. Would certainly recommend to anyone and will use again as and when needed. **Customer in London, 4 December 2011**

The driver was friendly, helpful and kept in touch on the phone as to where he was and how long he would be (not while driving obviously). He helped to unload and carry everything through and was generally very helpful! Everything was handles carefully and nothing was broken (bar a mug that I Packed stupidly!!)

Would recommend and use these guys again. **Customer in Bromley, 19 November 2011**
